

New Life Medical Outreach

Village Health Care Workers (VHCW):

Selected by the pastor and church elders in their community, they are trained to assess and treat minor illnesses. They also help identify the neediest people who need to be seen during the next mobile medical outreach clinic.

Mobile Medical Clinics:

Teamwork Africa has a vision to provide mobile medical outreach clinics once a month to the interior villages of Bong County. They are conducted by a team of Liberian healthcare professionals to treat those who have limited access to care. The team meets the physical needs along with spiritual needs by sharing the Gospel and showing the love of Jesus.

New Life Medical Center:

The New Life Medical Center will be the base for the mobile medical clinics and a pilot hospital modeling the highest quality care given in a compassionate way. The New Life Medical Center is about half way through construction. Our prayer is the New Life Medical Center will open in Spring of 2016.

Merry Christmas!

During this season, we celebrate all the blessings given to us by Christ our Savior. As you purchase gifts for family and loved ones, may you remember that you have a chance to remind someone across the world that Christ loves them through you and your gifts.

Thank you!
Mark and Peggy

Our Mission is to plant and resource Liberian churches

to meet the vital spiritual, physical, and social needs of their local communities.

We promise to honor your generosity and use your donation in the most effective way possible. The needs in this catalog reflect Teamwork Africa projects at this time. If there is any change to a project, we will address a similar need. All gifts are tax deductible.

Starfish Kids

Each story is unique. Each child is precious.

Our sponsorship program provides food, education and medical care to almost 100 children in abject poverty in Liberia. Our children are connected to a church in their community and a Starfish Kids Advocate to look after them and tell them about Jesus. Most of our children are in “kinship care” which mean they are living with a relative. Your support allows them to stay in their community and with people that love them.

Sponsor a child **\$50 a month**

Great King Academy

Send a child to school We know education is essential to escaping poverty. When children go to school, the cycle of poverty can be broken and new leaders are raised up. Your gift provides tuition, uniforms, books, and lunch fees.

Student tuition and school supplies
\$200 a year or \$23/month

General Expenses

When you make a donation to the general fund of Teamwork Africa you are giving us the flexibility to fund specific parts of the ministry when unexpected costs occur (which are a common occurrence in developing countries). You’re also providing for the small staff of Teamwork Africa, office expenses, and operating costs both in the U.S. and Liberia. These kinds of donations are most useful to Teamwork Africa because we have the freedom to use the funds where and when they are most needed.

Heart of the Village: Churches

Our goal is for people to see God meeting their needs through their local church. We implement our programs through Liberian churches. We offer workshops and conferences to strengthen and encourage pastors. Your partnership with Liberian churches will multiply their impact.

Local Church Support **\$200/month**

Habakkuk’s Wells

Entire villages in Liberia are without clean water and instead retrieve and drink water tainted with parasites and diseases. Clean water is the beginning of education for children, a safer life for women, a stronger economy and better health for everyone. A well provided through partnership with the local church offers a wide open door to share the source of our Living Water. Thanks to the matching grant from The Last Well, each dollar donated doubles your impact!
